EDUCATION

The College of New Jersey
Bachelor of Arts: Interactive Multimedia major, Graphic Design minor
Ewing, NJ ~ Expected in 05/2021

WORK HISTORY

User Experience Design Intern ~ Fidelity Investments
Jersey City, NJ ~ 06/2019-08/2019

- Worked alongside another UX intern to complete a UXD project through design thinking
- Project focused on improving onboarding experiences for associates of differing abilities; we explored how social anxiety effects new associates' ability to ask for help

RELEVANT PROJECTS

Henry the Helpbot: A virtual assistant designed to promote a smooth onboarding experience for associates of differing abilities

Payscape: UI design task on an enterprise platform that manages finance accounts. Design task was to mock-up UI that implemented a new feature for the platform.

Digitizing Artifacts: Worked with a team of 4 to create GIFs of museum artifacts by taking frame by frame pictures and put them together on Photoshop.

SKILLS

Sketch	Figma	Adobe XD	User interviews	User research
Agile	Illustrator	Photoshop	HTML	CSS

PROFESSIONAL DEVELOPMENT

Human Computer Interaction Professional Certificate, Georgia Tech (2020) ~ edX
4 courses ~ In-progress

- Understand the core design principles of HCI such as discoverability and affordances
- Developed working knowlege of pyschological concepts relevant to HCI such as distrubuted cognition and task analysis.

ACTIVITIES

Director of Public Relations for Fall 2020 Hackathon • Kappa Theta Pi
Ewing, NJ • 02/2020

- Promoted the first annual fall 2020 hackathon through creating logo, applying marketing strategies with social media, and creating website for participants to sign up and find out more information about event
- Alpha class of co-ed professional fraternity formed on the passion for technology
